

**Willie Preacher**

State and Tribal Government Working Group

Mr. Willie Preacher is a member of the Shoshone-Bannock Tribes, a federally-recognized Indian Tribe. He serves as a Tribal representative for various national, state, and local organizations, including the National Conference of State Legislatures' State and Tribal Government Working Group, the DOE Transportation External Coordination Working Group, and the DOE Environmental Management Site-Specific Advisory Board for Idaho National Laboratory. Mr. Preacher is currently employed as the Director of the Tribal/Department of Energy Agreement-in-Principle Program and previously worked at the Idaho National Laboratory for 30 years. Mr. Preacher resides in Blackfoot, Idaho.
